Sir:

In response to the Office Action dated May 20, 2002, Applicant requests the United States Patent and Trademark Office to reconsider the above-identified U.S. patent application in view of the following amendments and remarks and to allow the application to issue.

IN THE CLAIMS

Please cancel claims 35-38 without prejudice.

**REMARKS**

Claims 21-40 are pending in the subject application and stand objected to and rejected on various ground. Claims 35-38 are cancelled; leaving claims 21-34 and 39-40 being actively prosecuted. Reexamination and reconsideration of the subject application, as amended, are respectfully requested.

First, the undersigned attorney wishes to apologize for any inconvenience that the Examiner experienced in the December-January timeframe regarding the subject application. However, the December 12, 2001 Preliminary Amendment was made without any intent to delay prosecution or to inconvenience either the Examiner or the USPTO.
